Dear Kareem,

Thanks very much for showing me the draft proposal for the collaborative project which you're planning with your co-authors Jared Millson and Mark Risjord. I think that this project looks interesting in principle, and when the time comes I would certainly be interested in discussing it further. In order to set up a review process, I would need a polished proposal plus 40% to 50% of the projected book in the form of draft chapters, and I hope that you and your co-authors will be able to supply these materials in due course.

Best wishes,

Dr Hilary Gaskin
