Re: Risjord et al, Explanation and Inference book proposal

To Whom It May Concern:

Kareem Khalifa has spoken to me about a book project in the philosophy of science that he is co-authoring with Mark Risjord and Jared Millson.

The project is of interest to me, and I look forward to considering the work when it is ready for review, for possible publication by OUP.

Please feel free to contact me with any questions.

Best wishes,

Peter Ohlin
